CORE 5000SM Plan

Individual and Family Health Care Plans for California

Why not put your money where your health is?

If you are a 30-34 year old, you can have the security of health care coverage for **\$56 - \$76 per month**, depending on where you live and your medical history.

Is the CORE 5000 Plan for you?

- Some of our lowest monthly premiums

- You pay only a percentage of the Blue Cross negotiated fee for inpatient and outpatient hospital services as well as emergency services, once you meet your deductible
- Doctors' office visits are covered once you meet your out-of-pocket maximum
- Immediate generic drug benefits
- No maternity benefits

What else do you get?

- Access to over 50,000 California network doctors and specialists and over 400 hospitals – **so chances are your doctor is one of ours**
- **Money in your pocket** – because we've negotiated lower fees with our network doctors and hospitals, your share of costs is less (a lot less)
- Out-of-state coverage – **so you'll feel better wherever you are**

Be sure to also check out our dental plans and life insurance on pages 10 and 11.

With the CORE 5000, now it's more affordable than ever to get the protection you need!

Without health coverage, you could pay an average of \$29,968 for a 3-day hospital stay. Don't wait to get the protection you need.

General Provisions

Mental Health Coverage

BCL&H provides the same level of coverage as other medical diagnoses for the medically necessary treatment of severe mental illnesses in persons of any age. Severe mental illness, as defined by the American Psychiatric Association in the Diagnostic and Statistical Manual (DSM), includes the following diagnoses:

- Schizophrenia
- Schizoaffective disorder
- Bipolar disorder (manic-depressive illness)
- Major depressive disorders
- Panic disorder
- Obsessive-compulsive disorder
- Pervasive developmental disorder or autism
- Anorexia nervosa
- Bulimia nervosa

BCL&H also provides the same level of coverage as other medical diagnoses for serious emotional disturbances in children that result in behavior inappropriate to the child's age, according to expected developmental norms.

For the CORE 5000, coverage is provided for non-severe mental and nervous disorders and substance abuse as follows:

- Inpatient Hospital (30 days/year maximum) – You pay all charges except \$175/day after your deductible is met.
- Professional Services (1 visit/day; 20 visits/year maximum) – You pay all charges except \$25/visit after your out-of-pocket maximum is met.

For more details regarding these benefits, refer to the Policy booklet.

Emergency Care

BCL&H covers emergency services necessary to screen and stabilize your condition. No authorization or precertification is required if you reasonably believe an emergency medical condition exists. A medical emergency is an unexpected acute illness, injury or condition that could endanger your health if not treated immediately. Examples of medical emergencies include:

- Severe pain
- Chest pains
- Heavy bleeding
- Difficulty breathing or shortness of breath
- Sudden loss of consciousness
- Sudden weakness or numbness of the face, arm or leg on one side of the body

When you consider a medical condition to be an emergency, immediately call 911 or go to the nearest hospital emergency room. Once your condition is stabilized, it is important for the hospital, you or a family member to contact your physician or BCL&H about the authorization of additional services.

Rights and Obligations

No-Obligation Review Period

After you enroll in a plan offered by BC Life and Health Insurance Company (BCL&H), you will receive a Policy booklet that explains the exact terms and conditions of coverage, including the plan's exclusions and limitations. You have 10 full days to examine your plan's features. During that time, if you are not fully satisfied, you may decline by returning your Policy booklet along with a letter notifying us that you wish to discontinue coverage. Policy booklets are available for you to examine prior to enrolling. Ask your agent or BCL&H.

Guarding Your Privacy

BCL&H is fully committed to protecting our members' privacy. Our complete **Notice of Privacy Practices** provides a comprehensive overview of the policies and practices we enforce to preserve our members' privacy rights and control use of their health care information, including: the right to authorize release of information; the right to limit access to medical information; protection of oral, written and electronic information; use of data; and information shared with employers. You may obtain our complete Notice of Privacy Practices from our Website at bluecrossca.com or by calling the Customer Service number listed on your member ID card or prospective members can call **1-800-333-0912**.

Utilization Management and Pre-Service Review

The Blue Cross Utilization Management and Pre-Service Review Program helps members receive coverage for appropriate treatment in the appropriate setting. Four review processes are included:

- 1) Pre-Service Review assesses medical necessity before services are provided;
 - 2) Admission Review determines at the time of admission if the stay or surgery is Medically Necessary in the event Pre-Service Review is not conducted;
 - 3) Continued Stay Review determines if a continued stay is Medically Necessary;
 - 4) Retrospective Review determines if the stay or surgery was Medically Necessary after care has been provided if none of the first three reviews were performed.
- Utilization Management and Pre-Service Review is not the practice of medicine or the provision of medical care to you. Only your doctor can provide you with medical advice and medical care.

Requirement for Binding Arbitration

If you are applying for coverage, please note that BCL&H requires binding arbitration to settle **any and all** disputes including medical malpractice, breach of contract and benefits. This means that you are waiving your right to a jury or court trial for **both** medical malpractice claims and any other disputes. California Health and Safety Code Section 1363.1 and Insurance Code Section 10123.19 require specified disclosures in this

regard, including the following notice: "It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration." Both parties also agree to give up any right to pursue on a class basis any claim or controversy against the other.

California Department of Insurance

If you have a problem regarding your coverage, please contact BCL&H to resolve the issue. If you are unable to resolve the matter, you may request a review by the California Department of Insurance (CDI) at the following address and telephone number:

California Department of Insurance,
Consumer Affairs Bureau
300 South Spring Street, South Tower
Los Angeles, California 90013
1-800-927-HELP (4357).

You may also be eligible for an Independent Medical Review (IMR) of disputed health care services from the California Department of Insurance if you believe that BCL&H has improperly denied, modified, or delayed health care services. A disputed health care service is any health care service eligible for coverage and payment under your plan that has been denied, modified or delayed by BCL&H, in whole or in part because the service is not Medically Necessary.

The IMR process is in addition to any other procedures or remedies that may be available to you. If you need additional information about IMR or require help in completing the form, you may call (818) 234-3353 or you may write to:

BC Life & Health Insurance Company
P.O. Box 4310
Woodland Hills, CA 91365.

Your BCL&H Policy contains an arbitration clause. Disagreements between you and BCL&H which exceed small claims court jurisdictional limits will be resolved through arbitration. To initiate arbitration, a written request must be submitted to your dedicated processing unit who will provide you with information to initiate arbitration.

Incurred Medical Care Ratio

As required by law, we are advising you that Blue Cross of California and its affiliated companies' incurred medical care ratio for 2006 was 81.53 percent. This ratio was calculated after provider discounts were applied.

Enrollment Guidelines

To enroll, you and/or your dependents must be:

- Age 64¾ or younger;
- A permanent legal resident of California;
- A U.S. resident for at least the last 3 months;
- The applicant's spouse or domestic partner, age 64¾ or younger;
- The applicant's children, or the children of the applicant's enrolling spouse, under 19 years of age; or
- The applicant's unmarried dependent children between the ages of 19 through 22 ("dependent" as defined by the Internal Revenue Service)
- The applicant's child (of any age) who is incapable of self-sustaining employment by reason of a physically or mentally disabling injury, illness or condition and is chiefly dependent upon the applicant for support and maintenance.

Medical Underwriting Requirement

We believe that the cost of our plans should be consistent with a member's expected health care needs and risk factors. That's why BCL&H offers various levels of coverage. To determine individual medical risk factors, all applications are subject to medical underwriting. Depending on the results of the underwriting review, a number of things may happen:

- You may be offered coverage at the standard premium charge, or
- You may be offered the plan you selected at a higher rate, or
- You may not qualify for the plan listed in this brochure, or
- You may be offered an alternate plan.

If you have a significant medical condition and do not qualify for the plan in this brochure or if you have discontinued group coverage, please contact your BCL&H representative for information regarding other Individual coverage options.

Waiting Periods

There is a specific six-month waiting period for coverage of any condition, disease or ailment for which medical advice or treatment was recommended or received within six months preceding the effective date of coverage. If you apply for coverage within 63 days of terminating your membership with another "creditable" health care plan, then you can use your prior coverage for credit toward the six-month waiting period. Blue Cross will credit the time you were enrolled on the previous plan. Consult with your Blue Cross agent or representative if you have a question about the underwriting process.

Terms of Coverage

Coverage remains in force as long as you pay the required premiums on time and for as long as you remain eligible for membership. Coverage will cease if you become ineligible because of residency requirements or duplicate Individual coverage with Blue Cross.

Blue Cross may change or terminate coverage for all covered persons with the same plan, rating area and deductible (if applicable), including changing rates, with 30 days prior written notice. Blue Cross does not change coverage or rates unless the change applies to all covered persons of the same class.

**This plan makes it easy to upgrade
if your needs change.**
