This pharmacy directory was updated on 10/2016. For more recent information or other questions, please contact Blue Shield 65 Plus<sup>SM</sup> and Blue Shield 65 Plus Choice Plan Member Services, at **(800) 776-4466** or, for TTY users, **711**, 8 a.m. to 8 p.m., seven days a week, from October 1 through February 14, and 8 a.m. to 8 p.m., weekdays, from February 15 through September 30, or visit [blueshieldca.com/med\\_pharmacy](http://blueshieldca.com/med_pharmacy).

## Introduction

This booklet provides a list of Blue Shield 65 Plus and Blue Shield 65 Plus Choice Plan network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Blue Shield 65 Plus or Blue Shield 65 Plus Choice Plan formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Blue Shield 65 Plus or Blue Shield 65 Plus Choice Plan only if they are filled at a network pharmacy or through our mail service pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of October 1, 2016. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with a “P” to distinguish them from other pharmacies in our network that offer standard cost-sharing. Cost sharing information can be found in the Summary of Benefits. You may still receive an extended supply of drugs at other network pharmacies; however, you may not receive the preferred cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called our “mail service pharmacy.” For more information, please contact us or see the mail service pharmacy section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

For refills of your mail order prescriptions, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail service pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at (800) 776-4466 or, for TTY users, 711.

## Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under Blue Shield 65 Plus or Blue Shield 65 Plus Choice Plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

Blue Shield of California has a process in place to assist you in obtaining prescription drugs when you are in a long-term care (LTC) facility. If you are in an LTC facility and are prescribed a non-formulary drug, we will authorize a one-time, 31-day supply of the medication prescribed for transition purposes.

If you are on a complicated medication regimen, or a regimen where safety concerns do not permit you to be transitioned sooner, up to a 6-month transitional period will be allowed. This transition period will also be allowed for patients with multiple medications and with multiple physicians providing care.

For more information, please call Member Services at **(800) 776-4466**. TTY users should call **711**.
